

1           DELEGATE PASCAL:   Delegate Penniman, on  
2 line 29, actually 28, to qualify "regional government"  
3 can the General Assembly appoint an existing member of  
4 the General Assembly to act on a regional government board  
5 or would he have to run for a special election?

6           DELEGATE PENNIMAN:   Insofar as we are  
7 dealing with popularly elected representative regional  
8 government, the presumption from the discussion on  
9 the floor earlier by the Chairman of the Committee  
10 on Local Government was that it had to be elected separately  
11 for that purpose -- in other words, it could not be --  
12 and this is really a substantive question -- it could  
13 not be someone who was elected to the city council or  
14 county council and was appointed to that or took it  
15 as a result of his membership on the county council.  
16 It meant elected to that regional government.

17           DELEGATE PASCAL:   In a special election?

18           DELEGATE PENNIMAN:   Some kind of an election,  
19 that is correct.

20           THE PRESIDENT:   Are there any questions on  
21 Section 7.08?
